RESTRICTION

Restriction to one of the following inventions is required under 35 U.S.C. § 121:

1. Group I includes claim 16, drawn to a method for manufacturing an ink container, classified in Class 347, subclass 45.

II Group II includes claims 17-28 and 30-34, drawn to method of refilling ink, classified to class 347, subclass 85.

2. Inventions I and II are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions. The invention I relates to the method for manufacturing an ink container while the invention II relates to the method of refilling ink.

3. Because these inventions are distinct for the reasons given above and the search required for Group I is not required for Group II, restriction for examination purposes as indicated is proper.

4. Applicant is advised that the response to this requirement to be complete must include an election of the invention to be examined even though the requirement is traversed (37 CFR 1.143).
